Biographical and historical information
The current Student Center opened in 1978, however a Student Center Lounge operated out of the former Gymnasium Building under the leadership of Mr. Paul Joseph, director of Student Activities from 1972 - 1983. During his tenure Joseph oversaw the transition into the current Student Center building. Prior to 1972, student activities were coordinated by various student organizations and funded by a Student Activities Fee initiated in 1935. In 1984, Joseph became an associate Dean of Student Affairs. Student Center and Student Activities operations fell under the
supervision of Tim Sullivan who became the Assistant Director of the Student Center/Student Activities in 1984. Activities that fall under the umbrella of Student Center/Student Activities included the Winter Carnival, May Day Dance, Springfest and Homecoming. The Student Center itself hosts a variety of academic and social events.
